8:58 PM **me**: sup g
**jamie**: hey man hows it going
**me**: very well, Project PM has just taken a dramatic turn
8:59 PM I got hooked up with John Penley, who's apparently a very iconic photojournalist/activist up here
he's very enthusiastic about the project and made me his little facebook friend and wrote something about Project PM on his page
and now, in the last 24 hours
I've got friend invites from Bob Geldof, Patti Smith, Cyndi Lauper
9:00 PM **jamie**: jesus christ
**me**: now he's asked me to write a special announcement for the project geared towards celebrities/activists he knows
to put up on his facebook friends in order to prompt more people to join up and assist
about done with that
should go up later tonight
9:01 PM so, that should be helpful
insomuch as that these are people with a lot of influence, resources, their own organizations with which we can "interface"
as such, I'm expanding the scope of Project PM to some extent
**jamie**: thats fucking massive man congrats
**me**: I'll get back to you later with more info
thanks
9:02 PM **jamie**: ha totally. You fucking amaze allie and I more and more every day dude keep it up
**me**: remember, spread the word to anyone you know who could be of potential benefit
9:03 PM they don't have to be bloggers or media people, I'm establishing a congress, anyone honest and intelligent is qualified
**jamie**: cool. We don't have many friends and the big ones I know are swamped but just in this moment but I will for sure.
9:04 PM **me**: also, keep in mind that we're only a media watchdog group in a superficial sense, we're developing into a global anarcho-syndicalist entity designed to expand automatically/without oversight and to adopt new functions over time
word, thanks again for the assistance, talk later
9:05 PM **jamie**: cool man, keep it up
